Dear Patient,

Congratulations on your new pregnancy! You will have the pleasure of meeting all of our physicians as you rotate among them; **please remember we deliver out of Royal Oak Beaumont only**. Don't hesitate to call with any concerns you may have. We are here to provide the highest quality care available. **Our after-hours emergency number is 248-275-2021**. Please keep this number available for future reference. If labor begins after regular office hours, call this number to contact the doctor for instructions.

For your convenience, we have a link on our website (somersetgynob.com) under the "OBSTETRICS" tab titled "**Important Prenatal Information**". We encourage you to read all the information provided. Also please follow the link to pre-register at Beaumont Hospital before you deliver.

When you are able to, consider trying to schedule your appointments at a time when you can leave any children with a sitter, so that you and your provider can focus on your pregnancy. We want your pregnancy to be as pleasant and safe as possible. We will try our best to help make that happen for you and your family. Again, Congratulations!

Sincerely,
The Physicians & Staff of Somerset Gynecology and Obstetrics
